Sir,

Adverting to your Official Memorandum No.Fl.1006 S.A.20-15-64 dated 17th August 1916, I have the honor to state that the petitioner Sheknoor, late peon of the Deputy Commissioner's Office is a H.M.S. military pensioner. After he was thrown out of employment in that service, he joined the Mysore service as a peon on Rs.7/- in the year 1886. At the time of his entertainment in the Mysore service, it will be seen from his military pension certificate, that he was 44 years of age. According to Article 245 of the Mysore Service Regulation, his Mysore service does not qualify him for pension or gratuity of any kind, as he was appointed in Mysore service after 1st April 1880. Note 1 to the above article definitely states that the rule in this Article applies also to military pensioners(British or Mysore) employed in the Police or other Civil Departments.

The petitioner was informed that he was not entitled to any pension or gratuity and a copy of Revenue Commissioner's Official Memorandum No.7480 dated 24th December 1914 sanctioning his retirement was granted to him on 1st May 1915 upon his requisition to enable him to draw rice

money

money for the period he remained unemployed. The petitioner having urged the same matter once again he was given an endorsement also on 26th April 1916. The petitioner's name was therefore not shown in the qurterly statement of pending pension applications.

2. This retired peon has put in 28 years and 7 months service from the time he was entertained in the Mysore service. If any concession is to be shown to him as a special case he may be granted a gratuity of Rs.98/- to which he will be entitled.

3. The petition received with the above is returned herewith.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner

Hassan District.
